Swingbed Care

MCGEHEE HOSPITAL

Expect our best every day. We will work closely with your discharging hospital to ensure a safe transition to our Swingbed Care Program.

Our Swingbed Care

Swingbed is for patients who need skilled care beyond a traditional inpatient stay. Our swingbed services provide individualized care to optimize their recovery.

Our Team

is especially equipped to meet the needs of even the most complex patients.

AFTER COMPLEX SURGERY

Cardiac, neuro, orthopedic, abdominal, and more.

RESPIRATORY NEEDS

Specialized treatments and support.

WOUND CARE

Special Attention for wound healing.

INTRAVENOUS (I.V.) ANTIBIOTICS

To treat a variety of infections.

SPECIALIZED THERAPY

Includes physical, speech, respiratory, and an array of supportive services.

Key Features:

- A **personalized plan** of care
- **Bedside rounds** that engage you, your family, and your care team to help you reach your goals.
- **Hospital level nurse staffing** to keep you safe and meet your needs.
- Promotes a **home-like environment** accommodating family and individualized activity programs, as well as therapy in several environments.
- Our **on-site** physician, therapy, laboratory, radiology, and pharmacy teams will address all your medical needs.
